

Internationalising Architectural Education.

2009-2013

Professor Hugh Byrd

hbyrd@lincoln.ac.uk

This is a track record of my involvement and success in internationalizing architectural education since 2009. It includes projects and outcomes that cover several continents and celebrates the success of my students in various areas of teaching and research including:

- **International design competitions**
- **International employment**
- **International PhD Students**
- **Student publications in international journals and conferences**

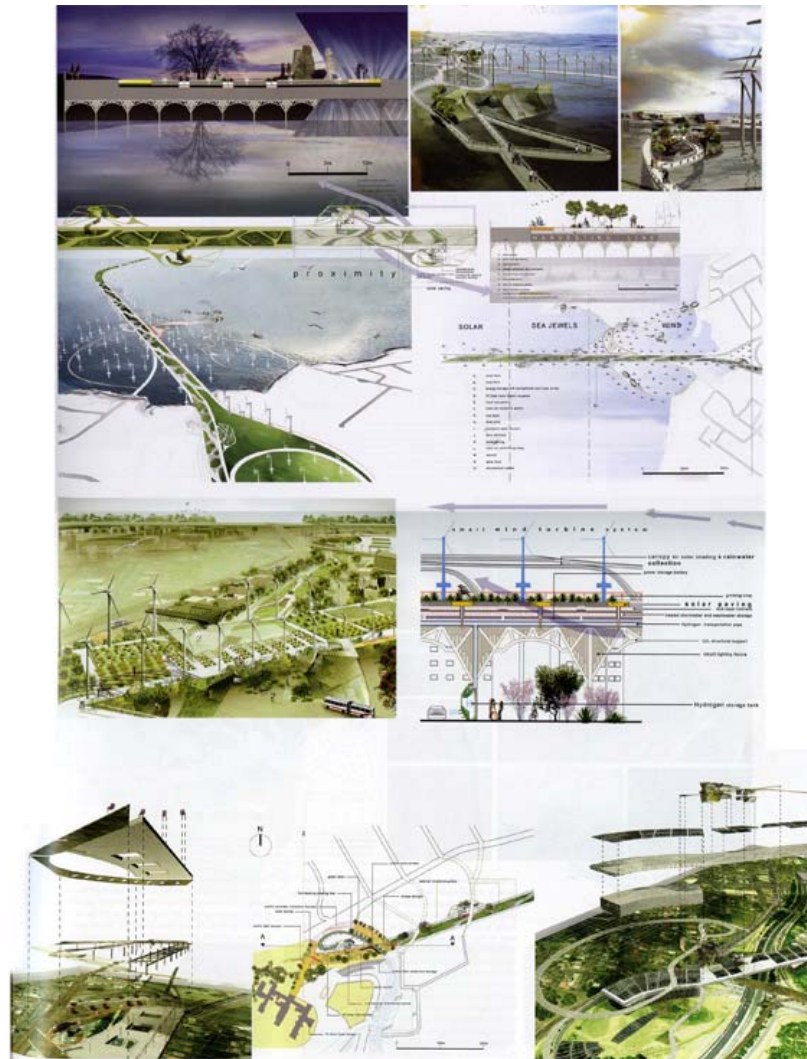

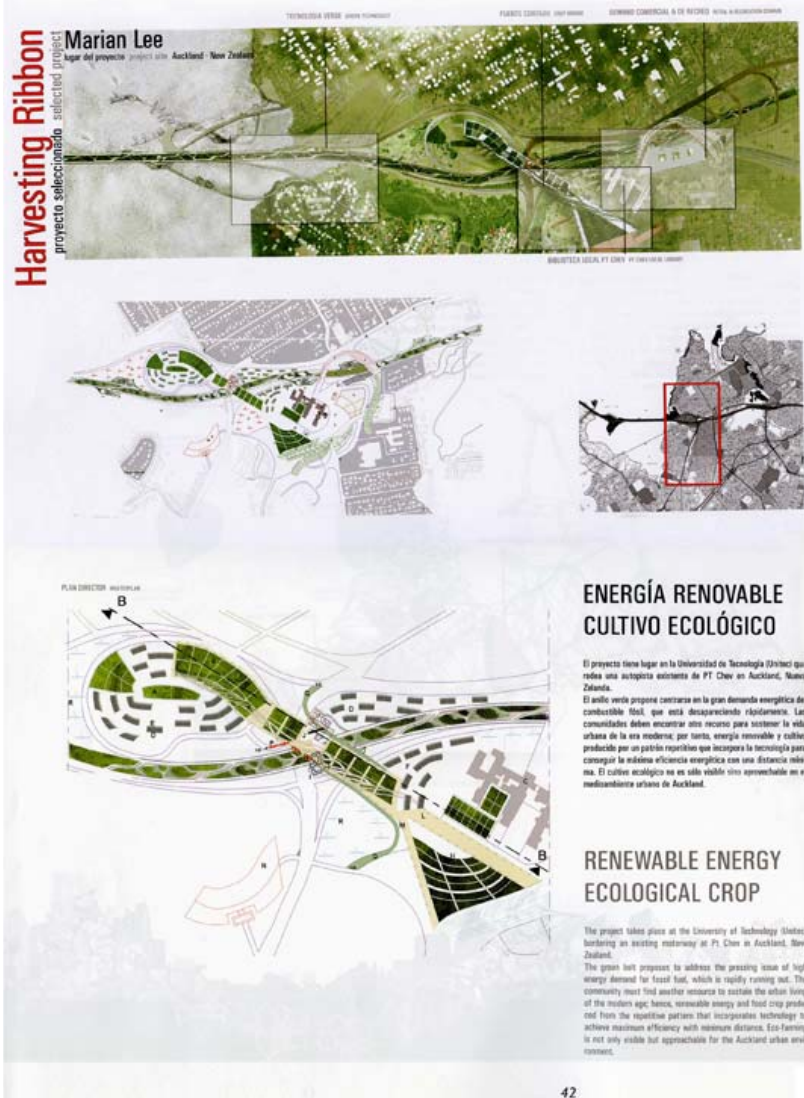

International Competition (Madrid)

Reinvent Infrastructure Competition, Madrid

<http://www.terrafluxus.com/archives/611>

Marian Lee, March (2009)

International Competition (Korea)

Mina Kim, Hoching Fu, Jungwon Yang and Eng Ting (Emily) Tiong (MARCH 2009)
Bronze medal in the 2009 Incheon International Urban Design Competition.

http://www.e-architect.co.uk/korea/incheon_urban_design_competition.htm

International Competition (California)

Zero Energy California Campus Competition (2012)

<http://architectureatzero.com/>

Ben Collins, Nan, Li, Felix Ngu, Yuxin Sun, Eric Tea, Ting Tseng, Hoi Wai, Sean Wijanto, Sam Wood, Man Wu, Ran Xu, Wenzuo Yi, Gloria Yuen, Yingcong Zeng and Xin Zhou formed four groups for the competition. All four groups produced some exceptionally high quality work and made to the final.

Human Cities, Inclusive Cities Mexico 2012

Runner-up Kim Ly (MArch 2011)

Eco Wharf project

International Competition (Australia)

Flinders St Station, Melbourne competition (2012)

Shirley Tang
MARCH student (2011-2012)

Special mention

Special mention

[illegible]

SuperSkyscraper competition Hong Kong 2013

Special mention

PhD student Success

PhD students winning the 'best paper' awards at the International Conference on the Built Environment in Developing Countries.
Penang, Malaysia 2011

PhD student Success

PhD students presenting at the
UN Habitat
World Urban Forum,
Italy 2012
